Dear Ms. Kunzelman,

On behalf of American Humane Society, thank you for your gift to help improve the lives of innocent animals positively impacted through our mission. We have received Petland Charities' most recent gift of \$6,000.00 dated January 27, 2025, towards our California Wildfire relief and rescue efforts.

We are so grateful to count you among our supporters as we work to build a more humane world. Your commitment to American Humane Society's mission helps ensure that the nation's oldest national humane organization can continue to be the voice for animals in so many ways, including:

- Deploying our animal rescue team at a moment's notice to save animals in dire situations—whether due to a natural disaster or a case of cruelty and abuse.
- Providing grants to struggling shelters and rescue groups in need of support and help pay for essential supplies and lifesaving treatments of animals in their care.
- Helping educate and keep families and their pets safe by providing information on disaster preparedness for pets.
- Delivering much-needed care to pets in local communities through free wellness clinics.

Through your support, we can ensure our critical work can continue and we are forever grateful.

Thank you for all that you do for American Humane Society. If you have any questions, please don't hesitate to reach out to me or my colleague, Tracy Jones at [TracyJ@americanhumane.org](mailto:TracyJ@americanhumane.org) or (305) 401-5010.

With heartfelt gratitude,

Cheryl Lesko  
SVP, Chief Growth Officer
